“Overcoming Barriers and Unleashing
Opportunities for Social Justice”

20 February 2023

1:15 – 2:30 p.m.
ECOSOC Chamber, UNHQ

The Permanent Mission of the Kyrgyz Republic to the UN and the International Labour Organization, in partnership with the International Telecommunication Union, the United Nations Conference on Trade and Development, and UN DESA, are pleased to invite all stakeholders to participate in the commemorative meeting of the 2023 World Day of Social Justice with the theme: “Overcoming Barriers and Unleashing Opportunities for Social Justice”.

The 2023 World Day of Social Justice provides an opportunity to foster dialogue with Member States, youth, social partners, civil society, UN organizations and other stakeholders on actions needed to strengthen the social contract that has been fractured by rising inequalities, conflicts and weakened institutions that are meant to protect the rights of workers. Despite these multiple crises, there are many opportunities to build a coalition for social justice and to unleash greater investments in decent jobs, with a particular focus on the green, digital and care economy, and on young people.
