Technical Briefing on “A comprehensive approach to ending poverty, hunger and malnutrition: how FAO is supporting Member States in the implementation of the 2030 Agenda for Sustainable Development”

13 February 2017

13:15 - 14:30 pm

Conference Room 7, United Nations Headquarters

This technical briefing will focus on the interrelationships and interdependencies between eradicating extreme poverty and ending hunger and malnutrition. A particular focus will be highlighting the vital role played by agriculture and rural development and the opportunities presented by linking productive support and social protection. Mr. Kostas Stamoulis, FAO Assistant Director-General of the Economic and Social Department will present how FAO is supporting member countries examine policies, formulate strategies and address implementation challenges in order to make progress towards the SDGs.

We are looking forward to your participation.
