

PRESIDENT OF THE GENERAL ASSEMBLY

18 June 2024

Excellency,

As we prepare for the Summit of the Future, which constitutes a singular opportunity for the international community to forge a new global consensus to transform and scale up existing commitments for the achievement of the SDGs, I have the honour to refer to resolution 76/307 entitled “Modalities for the Summit of the Future”, in which the General Assembly,

“... Request[ed] the President of the General Assembly to draw up a list of representatives of other relevant non-governmental organizations, civil society organizations, academic institutions and the private sector who may participate in the high-level Summit of the Future, taking into account the principles of transparency and equitable geographical representation, with due regard for gender parity, to submit the proposed list to Member States for their consideration on a non-objection basis and to bring the list to the attention of the Assembly for a final decision by the Assembly on participation in the Summit.”

In this regard, I have the honor to enclose herewith a list of representatives of non-governmental organizations, civil society organizations, academic institutions and the private sector which have applied to participate in the Summit of the Future.

In the absence of any objection by **5 p.m. on Tuesday, 25 June 2024**, I will take it that there is general agreement on the list. I intend to bring the list to the attention of the General Assembly for a final decision on participation in the Summit in due course.

I count on your continued support and cooperation towards making the Summit of the Future a highly successful event. For any additional information, your Office may contact Mr. Felix Brombach, Adviser at my Office by e-mail: felix.brombach@un.org.

Please accept, Excellency, the assurances of my highest consideration.
