# NAVIGATING UNCERTAINTIES: AN INTERGENERATIONAL DIALOGUE ON COVID-19 AND YOUTH EMPLOYMENT

**TUESDAY, 29 SEPTEMBER 2020 | 9:30-10:40 A.M. EDT**

Today's youth face the unique challenge of managing their personal development and transition to adulthood amid a pandemic and more uncertainties than usual. UN DESA invites young people to an intergenerational dialogue where they can share their concerns about finding jobs in a worsening market and discuss questions such as:

- How is the pandemic affecting youth employment right now?
- What can different generations do to help youth make the school-to-work transition?
- How can young people pursue entrepreneurship amid turbulent economies?
