 @nwkyouthambass
 @NYA NYA

Shakira McKnight is an Advisor to the Newark Youth Ambassadors under the administration of Mayor Ras J. Baraka. She is an alumna of Central High School, Newark, New Jersey. Currently, she is studying physical therapy with aspirations of one day opening her own practice. Shakira has a unique background in community activism. She strives to be the voice for the voiceless amongst the youth because she understands that youth have the power to make the change. This dynamic young lady represents the future of today's youth leadership. She is focused, determined, and committed to the development of all young people because she genuinely believes in the power of their collective voices.

 @omar_almutawa

Omar A. Almutawa is the Youth Representative of the United Arab Emirates to the UN. In a personal-academic capacity, he is a multi-disciplinary researcher in globalization. He has received degrees in international and global studies from the American University of Sharjah and Columbia University, respectively. In addition, he is involved in youth empowerment via Model UN. Omar was Secretary-General of the AUS Model United Nations (AUSMUN) for two consecutive years. He is currently the director of strategic development at United Ambassadors in New York.

 @laurenhorn
@resolutionproj

Lauren Horn is a Senior Program Manager for The Resolution Project, which identifies and empowers undergraduate students around the world who wish to launch new social ventures, supported by Resolution's global network of resources. Lauren oversees volunteer mentorship programming. She manages resource access and matching, as well as volunteer applications, onboarding, and support. She is leading the growth of the Continuing Impact Program for Fellows who have moved their focus from their initial social ventures and works closely with Corporate Program Partners providing access to volunteers. Previously, Lauren was a Project Implementation Coordinator at Northeastern University's Center for STEM Education, where she organized science and engineering educational programs for K-12 students, teachers, undergrads, and community members, and handled the department's public relations. She holds a MS in Nonprofit Management and a BA in Journalism, both from Northeastern University.
